The Missoula Urban Indian Health Center Board of Directors is an advisory board that works directly with the Executive Director to steer the direction of the Center and ensure its place in the community into the future. Board member terms of service are for three years. Commitment to the board requires approximately four (4) hours per month for the monthly board meeting and every member is required to sit on at least one (1) committee. Each committee meets once per month, or as needed for 1-3 hours depending on work load. Board members are encouraged to participate in the Centers various monthly community activities as well. Review the attach Board Responsibilities document.

To complete your application to the board please complete this application and submit it along with a letter of interest and a photo of yourself to:

maeganratd@hotmail.com

*Tribal Affiliation/Enrollment is not a requirement to serve on the board, only the desire to serve in the best interests of the Urban Indian Community.
